## **Greetings from the Organisers**

It is a great pleasure to welcome all of you to the FIS Nordic World Ski Championships in Falun, Sweden in February 2015.

We are really looking forward to world class competitions together with great festival events.

We have been preparing for several years to offer athletes and teams top class sporting conditions at the Lugnet venue, a newly renovated and upgraded ski arena.

We expect 200 000 spectators to attend and to support the competitors, creating a fantastic atmosphere.

1800 enthusiastic volunteers will do their utmost to make sure that every athlete feels comfortable and happy to be in Falun.

We want the athletes to feel that they are in focus whatever we do.

The city of Falun and the Dalarna region have much to offer, a rich culture, exotic restaurants and surroundings with preserved nature. Falun is a Unesco World Heritage site.

We will ensure that the entire FIS family, all athletes, teams, media, sponsors and spectators will enjoy great hospitality and exciting competitions.

The organisers hope that everyone visiting the Championships 2015 will experience new friendship and something beyond all expectations.

A warm welcome to the championship city Falun!

### Welcome to Falun

From the 18th of February until the 1st of March 2015 the FIS World Ski Championships in Ski Jumping, Nordic Combined and Cross-Country will be held in Falun. With memories and knowledge from the previous championships held here in 1954, 1974, and 1993, we again welcome the world's best skiers to Falun. This time we reach for more than great competitions; this time it will be something beyond all expectations – we will bring the world closer to the joy of skiing.

Together we will create breath-taking competitions as well as a party that never ends for the audience; together we will put Falun and Sweden in the centre of the world's attention.

Whether you are an athlete, an official, a volunteer, in the audience or at home watching TV, together we are the key to a successful World Championship. Together we will make Falun 2015 a Ski Party the world never before has experienced!

#### Facts about Falun

The short distances, the rich cultural life, the great variety of activities and the vibrant city centre make Falun the ideal place to live and work.

Everything you need is close at hand; work, schools, nature, culture and recreation. Falun is Dalarna's largest municipality with over 57 000 inhabitants. Our city offers 14 nature reserves and a beautiful archipelago in the lake Runn, just a minute away from the town centre, which it takes just fifteen minutes to cycle through. The seat of the County Council is located here and we are the cultural and sports centre of Dalarna.

With its mining area, town and homesteader estates Falun has been listed as a World Heritage Site since 2001. The town has made great strides in sustainable development in the areas of environment, growth and public health.

Falun is gradually establishing itself as a national centre for health and sport, our main focus areas. Every fifth resident in Falun is a member of an association and 58 of the Swedish Sports Confederation's 67 special sports can be practiced at Lugnet, one of Sweden's most complete sports and recreational venues. Falun's sister city is Borlänge. Together they form a joint housing and labour market with over 100 000 inhabitants.

#### Accommodation

The National Ski Association (NSA) teams/ athletes will be accommodated in hotels at a good standard, located between 5 and max 20 minutes by car from the venues.

The Local Organising Committee
Falun2015(LOC) has a good cooperation with
the hotels and can assure an adequate level of
accommodation specially adjusted to the needs
of athletes and teams.

The hotels are fully aware of the requirements of the athletes, especially regarding the selection of food and meal times. Three meals (breakfast, lunch, dinner) per day will be served at the hotel, comprising sufficient amounts of food including nonalcoholic drinks.

Extras such as rooms for physical therapists, extra drinks etc should be paid directly at the hotel.

The booking of accommodation will be coordinated by the local tourist company Visit Södra Dalarna AB, which is a part of the LOC. All reservations, confirmations and transactions related to the booking should be done through Visit Södra Dalarna AB.

The reservations and payments will be handled according to the FIS rules.

As soon as the accommodation office receives a reservation, an offer will be sent to the NSA.

The LOC will not be responsible for teams that wish to take care of their own accommodation arrangements, but is able to help with special requests for guests and also arrangements for alternative accommodation such as private houses.

The LOC will cover the cost of accommodation for qualified athletes and team members according to the quota. For team members outside the quota, the rate will be at maximum price 120 CHF/person per day.

For extra team officials and special guests, according to the quotas, that are officially entered and whose accommodation has been reserved through the LOC, the maximum price for accommodation with half board is 1450 SEK/person per night, for official nights.

For all athletes/officials before and after the official Championships period (16 Feb - 2 March), the maximum rates will be as follows:

Double room full board: 1450 SEK per person per night

Single room full board: 2 450 SEK per person per night

Should a team wish to book more single rooms than the rules require, the price will include the price difference at the hotel facility concerned, approx. 300 - 900 SEK per person per night.

To access the accommodation booking system, please click here **www.teamFalun2015.axaco.se**. You will also find the invitation and booking info under the link Teams on our web site: www.falun2015.com/teams.

The deadline for preliminary booking is the 1st of October 2014 (number of double/single rooms). Please note that we cannot guarantee rooms or prices after this date.

An invoice for the deposit of 50% of the total number of rooms and nights will be sent to each NSA for payment no later than the 15th of November 2014. An invoice of the remaining 50% will be sent for payment no later than the 15th of January 2015. If payment is not completed before the due date, the LOC reserves the right to cancel the reservation.

A reimbursement of the expenses will be prepared according to the rules for free accommodation for qualified competitors after the event, and will be paid no later than the 30th of April 2015.

#### **Cancellation conditions**

Cancellation has to be sent in writing to accommodation@falun2015.com
Cancellation can be done without charge provided that:

- Cancellation of up to 100 % of the original reservation is received before the 31st of October 2014.
- Cancellation of up to 50 % of the original reservation is received before the 30th of November 2014.
- Cancellation of up to 20 % of the original reservation is received before the 15th of January 2015

If cancellation is received later than the above-mentioned dates, the NSA has to pay 100 % of the reservation.

#### **Transportation**

Transportation from the airport to Falun will be provided free of charge for the teams. The free service includes one trip per team in each direction only. Additional transportation can be arranged at a cost of 500 SEK per person and direction.

Please use the same link as for the accommodation to request transportation from and to the airport. Deadline: 16th January 2015

If you are arriving in Falun using your own vehicle and do not need our transportation services at Arlanda, please make a note of this in the accommodation and transportation request. Please also make a note of how many bags and skis your team will have in their luggage.

When you arrive at the Stockholm Arlanda Airport, please look for the Falun2015 Info Point in Terminal 5 to receive further information about your trip to Falun.

#### **Transportation service**

The LOC will provide transportation service free of charge between the venue and team accommodation. Please contact your team attaché for any team transportation needs. There will be a representative of the attaché and transportation service at most team hotels.

At the Ski Jumping venue, there is a mountain railway to use free of charge during the World Ski Championships.

#### Parking

There is only a limited number of parking spaces at the venues. Parking passes are required, and they will be handed out at the check-in at your hotel. Please make a note in your entry of how many vehicles your NSA wishes to park at the venues separated per discipline.
